# Wedding Packages

All wedding packages include the following:

- Grazing table with fine meats, cheeses, fruits and vegetables, and other seasonal items
- Choice of three appetizers as pass-around items
- Choice of dip with toast points or crackers
- Dining ware, cutlery, and napkins for dinner and cake service
- Beverage service including water and tea
- Labor for setup, service, and strike. Receptions lasting longer than three hours require excess labor charges at \$35 per hour.

Rentals can be acquired through local services at extra cost if you need us to facilitate.

Bar service and products are not included, but can be added. While we cannot purchase or provide beer or liquor, we are happy to offer bartending services at current labor rates. We can also create special cocktail recipes for you.

Service charges are not included as gratuity. Gratuity is, of course, optional and offered at the discretion of the client. Service charges are included to cover transportation costs, cooking fuel, ice, linens and other items.

# Tier 1

Guests	Cost	Service Charge
<100	25.00	10%
